

2010-2011

Weiser High School Educational & Career Plan of Study

This Educational & Career Plan of Study is a source of information as you develop your own personal learning plan geared towards your career choice. This plan lists a variety of suggested coursework. Courses are subject to change due to enrollment. For a more detailed explanation of classes, ask a counselor for a copy of the WHS Course Description Guide.

Note: Idaho High School graduation requirements are not college admission requirements. Check with your post-secondary school for complete admission requirements early!!

1 semester = 1 credit \$\$ = college credit
 = required class @ = course satisfies speech requirement
 # = satisfies health requirement ** = satisfies biological science/lab credit
