## PARK SCHOOL

758 East Park St.  
Phone: 414-2861  
Fax: 414-0851

**Cabin Fever Night** - Park School will once again host Weiser's annual Cabin Fever Night. The event will be held Friday, March 9 at Weiser High School. It is an all-school, community carnival which helps raise funds for various causes and provides a night of fun for students and their families. Carnivals for the past 12 years have been very successful, and we are planning for another evening of family activities. Jennifer Weldon, WHS cheer coach, is our Cabin Fever organizer again this year. The funds earned by Park School help pay for our Accelerated Reader store and our Academic Summer School.

Park School has a **website** that is regularly updated by 5<sup>th</sup> grade teacher Nicol Mink. We invite you to take a look. The main site address is [www.weiserschools.org](http://www.weiserschools.org) From there, click "visit our schools" and select Park School. You will see the lunch calendar, upcoming events, and more.

**President's Day** is Monday, February 20. There will be **no school** that day.

**Parent-Teacher Conferences** are coming soon. We are always very pleased with the number of parents who attend their children's conferences. The schedule will be as follows: Wednesday, Feb. 8 from 5:00-8:00 PM and Thursday, Feb. 9 from 1:00-4:00 and 5:00-8:00 PM. There will be **no school** Thursday the 9<sup>th</sup> and Friday the 10<sup>th</sup>.

**AR Reading Contest** - On January 13 we held an assembly to explain our Spring reading incentive. For the 10 weeks of school between January 14 and April 1, students' reading points will be tracked. Each student has a goal—determined by the grade level of the reading class he or she is in. In 10 weeks, those students who have met their goals will qualify to go bowl a game during school at the Weiser bowling alley. Each week one or two classes who are on track with their reading goals can earn donuts. So far, the classes who have received donuts are: Ms. Cahil's, Miss Milligan's and Mr. Courtois's. Park students have logged 2,440 points in the first 2 weeks of our contest!

### **Walk Across America-**

Karma Laan and Angie Soulen are heading up our lunchtime walking club again this year. Walks are Mondays and Thursdays on the upper level playground during the lunch hour. We have collaboratively logged over 1100 miles so far. The snow has made foot travel a bit rough this winter. We are approximately 1/3 of our way across America. Parents are very welcome to come walk during lunch with their children. We could use all the help we can get in reaching our goal!

We are having our 2<sup>nd</sup> **BLING Assembly** this Friday, February 4 at 8:45. Students are earning bling (plastic charms) for accomplishing goals. Students can earn bling for: completing Math Facts, Completing Study Island math and/or reading, earning 100 AR points, walking 10, 25, 50 or 100 miles, learning all multiplication facts 1-12, and more.
