October 21<sup>st</sup>, 2021

Dear Parent or Guardian,

The Weiser School District has implemented measures to help decrease the opportunity for the spread of COVID-19 in our schools. A copy of the WSD Reopening Plan 2021 may be found on our website at [www.weiserschools.org](http://www.weiserschools.org).

The purpose of this letter is to inform you that your child may have had contact with an individual who tested positive for COVID-19.

Your child's possible contact with this individual occurred on or before October 15<sup>th</sup>, 2021 and may have occurred in a classroom, during a school event, or during some other school related activity. Please understand that it is important that we respect the privacy of this person.

Your child is NOT required to self-quarantine as a result of this notice. However, if your child knows that they have had close contact with a COVID positive person then they should seek immediate guidance from a qualified health care professional. CDC guidance for close contacts can be found at <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine.html>

You should continue to monitor your child's health. Should they begin to show any symptoms related to COVID-19 they should:

1. self-quarantine immediately
2. notify their school office of their condition as soon as possible
3. seek guidance from their health care provider
4. make a list of any close contacts they have had in the last few days (which may be necessary for contact tracing purposes)

Students who are required to self-quarantine may still participate remotely in their class activities. They should reach out to their teachers as soon as they begin their quarantine in order to ensure their coursework is made available to them.

If you have any questions please contact Weiser High School at (208)414-2595.

Sincerely,

David A. Davies, Principal
