

Weiser School District

COVID-19 Tracking by Building

Number includes:

- Positive cases of COVID reported by building as reported by parents or staff, (and may include Dr. identified probable cases)
- Both students and staff at the building
- Number represents new cases reported by day

Number does NOT include:

- Number of students or staff who show symptoms but who have not been tested or have not reported results to school
- Those who are in quarantine due to having had close or direct contact with a positive or suspected case
