

Please remember that all **library and school books** that are in your child's care are due back at the end of the year in good condition. If your child has lost a book and owes a fine in the library, please take care of that as soon as possible.

Thank you to all of our families for offering a support system at home to help students achieve great things during ISAT testing. We were pleased to see all the effort they put forth!

Teacher Appreciation Week:

May 3 - May 7.

The influence of a good teacher can never be erased.

Maturation classes for both boys and girls are tentatively scheduled for May 4th and May 6th. The classes are a good opportunity for our kids to learn about physical development, hygiene, nutrition, and age appropriate changes associated with puberty. Please look for an additional paper regarding these classes that will come home. If you do not want your son/daughter to participate please fill out the form and return to school by Monday, May 3rd.
