

The purpose of this tool is to assist you in highlighting areas of strength and identifying areas you would like to improve in your teaching preparation and performance, and to help you develop a Professional Learning Plan. Carefully reflect on each component and select the Level of Performance descriptor you think best represents your current performance level for each component. For a more complete explanation of the levels of performance key go to The Danielson Framework for Teaching, 2013 Edition, which can be found on the district website under Staff Resources.
