Dear Parents and Patrons,

Each year veterans in our area provide a wonderful Veterans Day program for students at each of our schools. These events are typically open to the public.

Due to space limitations at several of our schools, this year we ask that parents and patrons who would like to attend a Veterans Day program attend the program presented at Weiser High School, where we have more space for students and observers to spread out and where the veterans who are presenting the program have more room to distance themselves from spectators.

This year's Veterans Day program will be presented on Thursday, November 11<sup>th</sup> at 11:00 am in Tom Falash Gym at Weiser High School.

This will be an amazing event and we hope that you will be able to join us as we recognize and honor these men and women who have so generously served our country.

Respectfully,

Wade Wilson, Superintendent
