January 5, 2021

Dear Wolverine Fans,

Our 2020-21 sports seasons continue to be impacted by COVID-19. Although we have experienced a few setbacks, we feel fortunate to be able to offer activities to our student-athletes at this time.

Governor Little's Stage 2 Order for Idaho, dated November 14, 2020, restricted gatherings to a maximum of 10 people. Although athletics were allowed to continue, non-participants at events were limited to a maximum of 10 people and, as a result, the Snake River Valley Conference elected to close events to spectators during Stage 2.

On December 30, 2020, Governor Little approved a plan to allow a limited number of spectators to attend high school athletic contests under very specific conditions.

We are obligated, under the December 30th Order, to strictly adhere to the requirements if we allow spectators to attend games.

We are thrilled to have the opportunity to move forward with fans in attendance at games, even if attendance is extremely limited.

We need your help. It is important that spectators cooperate fully with all of the protocols for events if we are to allow them to be in attendance. We recognize that the requirements are very restrictive, but we have assured the State Board of Education that we will comply fully with all of the requirements in order to access provide this opportunity.

At this time, the Governor's Order only addresses high school sports. The 10 person gathering limit is still in effect for middle school sports and other activities.

Please refer to the Governor's December 30, 2020 Order on winter sports, as well as the Weiser High School Winter Sports Plan for details.

Go Wolverines!!!

Wade Wilson, Superintendent
